Hi, Cheryl. I read the report and it looks fine. I don't know if this because I'm on a tablet, but about ½ the photographs were either all blacked out or had a black rectangle covering part of the photo. Before it goes live on the website, can you look to make sure the photos look ok?

I looked at the isotope report and that is fine to upload.

Subject: 2017 Northeast Juneau County Groundwater and Surface Water Sampling Investigation

Hello Linda:

I have completed the third inspection report for northeast Juneau County, Wisconsin titled "2017 Northeast Juneau County Groundwater and Surface Water Sampling Investigation", I have redacted the PII information within the report. Charles Mikalian, ORC and Michelle Heger, Acting Branch Chief for Pat Kuefler have both reviewed the report and confirmed that all PII has been redacted.

I am attaching the report for your review and approval to post the report to Region 5 EPA's Northeast Juneau County, Wisconsin website along with the 2018 Northeast Juneau County Sampling Report.

Sincerely,

Cheryl Burdett
